

PET CARE PRODUCTS AND METHOD OF PROVIDING PET CARE  
PRODUCTS, SERVICES AND INFORMATION

Abstract of the Disclosure

5           A method of providing pet care products, services and  
information comprises receiving pet care products, services and information  
from a supplier, and, as a preferred provider, dispensing the pet care products,  
services and information to pet owners. A method of equipping a preferred  
provider with pet care products, services and information to be dispensed to  
pet owners comprises selecting a preferred provider and supplying the  
10 preferred provider with pet care products, services and information to be  
dispensed by the preferred provider to pet owners. The pet care products,  
services and information can be for pet life care or pet death care or both pet  
life care and pet death care. The preferred provider can be an individual  
veterinarian or a network of veterinarians, an individual pet store or a  
15 nationwide chain of pet stores, an individual pet cemetery or a nationwide  
chain of pet cemeteries or an animal humane shelter or nationwide chain of  
animal shelters.
